POWER MAN® & IRON FIST® 9

CIVIL WAR II

POWER MAN & IRON FIST

DANIEL RAND IS IRON FIST, KUNG FU DEFENDER OF THE INNOCENT. LUKE CAGE, SOMETIMES CALLED POWER MAN, HAS SUPERHUMAN STRENGTH AND DURABILITY. HE'S BEEN AN AVENGER, AND IS NOW A HUSBAND AND FATHER. THEY ARE THE HEROES FOR HIRE.

AN INHUMAN NAMED ULYSSES HAS THE ABILITY TO SEE THE FUTURE. HIS VISIONS HAVE HELPED PREVENT CATASTROPHES, AND SPAWNED PROACTIVE MISSIONS ENDING IN TRAGEDIES, INCLUDING THE DEATH OF JAMES RHODES, A.K.A. WAR MACHINE. AS TENSIONS RISE, EARTH'S GREATEST CHAMPIONS MUST MAKE A CHOICE: PROTECT THE FUTURE...OR CHANGE IT?

DANNY IS IMPRISONED ON RYKER'S ISLAND. HE'S REFUSED TO MAKE BAIL IN ORDER TO PROTECT INNOCENT MEN WHO WERE LOCKED UP BY PREEMPTIVE STRIKE: VIGILANTES USING AGNITUS, MYSTICAL SOFTWARE THAT CREATES CRIMINAL RECORDS FOR THEIR TARGETS. WITH HELP FROM THEIR VICTIMS, LUKE WAS INVESTIGATING PREEMPTIVE STRIKE AND AGNITUS, BUT PROGRESS WAS SLOW. HE ASKED SONGBIRD AND CENTURIUS TO MEET HIM OUTSIDE RYKER'S FOR SUPPORT, BUT THEY WERE INTERRUPTED BY CAPTAIN MARVEL AND HER ALLIES. ULYSSES HAD A VISION OF LUKE LEADING A DISASTROUS PRISON BREAK, AND CAROL CAN'T LET THAT HAPPEN.

YOU DON'T UNDERSTAND.
I DON'T UNDERSTAND?

THEN MAKE ME UNDERSTAND, CAROL.
EXPLAIN TO ME HOW YOU SAW ALL OF THIS HAPPENING.
EXPLAIN WHAT LUKE EVER DID TO YOU TO JUSTIFY ALL OF THIS. TO MAKE YOU NOT TRUST HIM.
IF A VISION, OR A DREAM, OR SOME KIND OF DAMN PROPHECY OF SOMETHING THAT MIGHT HAPPEN IS ENOUGH TO MAKE US ALL TURN ON EACH OTHER...
...THEN WHAT'S THE POINT OF ALL THE THINGS WE'VE FOUGHT FOR TOGETHER?
THAT'S WHAT I THOUGHT.
C'MON, BROTHER, THERE'S STILL WORK TO DO...
...A BIG MESS TO CLEAN UP.
WHAT DO YOU WANT US TO DO?
YOU HEARD LUKE.
LET'S CLEAN THIS MESS UP.

HOW YOU DOING?
BROKEN RIB. MAYBE TWO.
I'M SORRY ABOUT ALL OF THIS...I KNOW YOU WERE TRYING TO DO YOUR THING. TO TAKE THAT MORAL STAND. TO HELP PEOPLE WHO WEREN'T SUPPOSED TO BE LOCKED UP.
WHAT'RE YOU APOLOGIZING FOR? YOU DIDN'T BLAST THE HELL OUT OF THIS PLACE...
HONESTLY, MAN, I DON'T KNOW WHAT I WAS THINKING. I NEVER HAD A REAL PLAN--JUST IDEAS.
LOTS OF IDEAS FLOATING AROUND IN MY HEAD. ALL OF 'EM WERE ABOUT HOW TO GET YOU OUTTA THIS PLACE.
AND ONE OF THOSE IDEAS... WELL...YOU KNOW...
NO, I DON'T KNOW.
WHAT'RE YOU GETTING AT?
ONE OF THE IDEAS I HAD...IT WAS CRAZY. I KNEW IT WAS CRAZY. AND I DON'T KNOW IF I WAS REALLY GOING TO DO IT...
...BUT ONE IDEA I COULDN'T GET OUTTA MY HEAD WAS TO JUST BUST YOU OUT OF THIS PLACE.
I THOUGHT ABOUT IT. HOW I'D DO IT, AND WHO I'D GET TO HELP... AND...WELL...
I DON'T KNOW IF I WAS GOING TO DO IT, OR IF I WASN'T. I JUST DON'T KNOW. BUT MAYBE ALL THAT THINKING IS WHAT SET THIS OFF. STRANGER THINGS HAVE HAPPENED.
MAYBE...MAYBE ALL OF THIS IS MY FAULT.
THE END.

LUKE LETTERS & DANNY DIATRIBES

It was like Danny and Luke were speaking for me when they said they'd be "sitting this one out." I've had enough of these furshlugginer fiddle-faddle crossover events, even if CIVIL WAR II is masterminded by the great Bendis.

But I see through David Walker's cunning plan: PM & IF have decided not to choose sides, but get dragged in anyways! I like your style, Walker.

Cheers,
Bruce Marsh

It is all Luke and Danny--they tell me what they want to do, and I write it down. I recognized their desire to not be part of the current madness, but just because you want to avoid life, that doesn't mean life is gonna leave you alone.

Dear Marvel Comics,

My name is Ananzi G. I'm a big fan of your African American super heroes and their titles. Being a young black writer myself, seeing such praised writers like David Walker and Ta-Nehisi Coates make such beautiful stories inspires me to write more every day. And the art that Sanford Greene and Lee Loughridge do on POWER MAN AND IRON FIST is stylish and sleek as hell! The work that Brian Stelfreeze and Laura Martin do on BLACK PANTHER is inspiring and powerful. Not to discredit heroes and comics of people who aren't of color; VISION is probably one of my favorite runs out right now, the ALL-NEW, ALL-DIFFERENT AVENGERS are better than any team-up out there right now, and CIVIL WAR II? FAN-FREAKIN'-TASTIC!

I've never actually written to Marvel before--this is my first time. So if I'm rambling on in a letter no one will ever read the whole way through, my bad. I just wanted you guys to know that I wildly anticipate the release of the next great story you put out. And thank you guys so much for what you do--it's really inspiring.

Sincerely,
Ananzi Falo Galileo

Yes, you are rambling, but as someone who frequently rambles, I get what you are saying. Thanks for sharing your enthusiasm and appreciation in such a rambletastic manner. I am honored that my writing has inspired you to write to me. Keep at it. Take what inspires you, and turn it into something that inspires others (it's like a "circle of life" kind of thing).

Hello David Walker,

There is not really much to say about your work with the comic book series POWER MAN AND IRON FIST except a huge thank you!

The first time I heard about it, was in an article complaining about the portrayal of Jessica Jones. I decided to pick up the comic book to see what the fuss was all about.

And what a wonderful surprise this series has been.

It's one of the few Marvel comic books coming out now that is entertaining and not leaning towards political ideology lectures. You have written great non-stereotypical black characters, male and female. I love also the way you are writing Tombstone's henchmen. Seriously, I am laughing out loud with every issue that comes out. It is just wonderful.

Regarding Jessica Jones' portrayal, I really think it's spot-on. My sister is a strong woman and married with an infant. She has very similar attitudes, and I don't think J.J. is being naggy. She is a woman that cares about her husband and at the same time knows he has as many responsibilities with the family as she does.

The drawing is also so fitting for the story. It is detailed and a little bit caricaturesque, with yellow tones that make the whole story feel nostalgic. Thanks, Greene and Lee! You guys are awesome.

And of course, chemistry between Danny and Luke has been incredible. You are writing a great story here, and you have me excited for every new issue to come out.

Please, keep up the good work!

Lucas

Honestly, I want to use Jessica Jones more, but this is POWER MAN AND IRON FIST, not POWER MAN, IRON FIST, AND JESSICA JONES. Plus, Jessica has got her own solo book coming, and though no one will admit it, you can only use her in comics if you kneel before Bendis and say, "Captain, my captain."

Just finished PMIF #6 and I'm absolutely loving this run. Brilliant characters, outstanding artwork, great storylines, and supercool dialogue. Definitely one of the titles I look forward to the most from my pull list. Cannot wait for #7. Keep up the damn fine work, you guys.

Leon Cooper

For the record, no one involved in the creation of PMIF paid this guy.

Sent from my iPhone I just got done reading issue I love it it's so funny it's now my favorite book ok to print Dave from Winthrop ma

The fact that your enthusiasm for PMIF was so great that you essentially sent a text message brings me a level of joy I can't describe. Seriously.

I'm a recent convert to comics, turned onto the genre by my boyfriend, Adam, who is a super-fan. His enthusiasm for the art and storytelling got me excited to read too, opening up a new world. He and his friend, Octavius, do that for a lot of people with their podcast, COMIC BOOK JUNTO, where they use geek culture as the lens through which they discuss philosophy, social justice, and current events.

The two became friends 5 years ago, bonding over comics, and they are particularly big fans of Power Man and Iron Fist. The characters are superficially quite different--one is a big, devout, married black man and the other is a lithe white dude--just like Ock and Adam. And they are similarly joined together by brotherly love and a shared passion for doing the right thing. They talk about the Power Man and Iron Fist collaboration, how it echoes their own friendship, and the potential for comics to inspire others to be heroes.

Taking their talk a step further, later this month (September), Adam is donating his kidney to Octavius. Ock suffers from advanced kidney disease and without an organ donation, his status would only deteriorate. With the transplant, both men can go on to live long, healthy lives.

This sacrifice is just one of many they would make for each other and for others who need their help. Here's to many more years of love and heroism.

Thank you so much,

This did not make me cry...that much. Mad respect and much love to Adam and Octavius, and to true friendship. On behalf of myself, the entire PMIF team, and all the readers that understand the true nature of friendship, we offer positive thoughts to them, hoping for a healthy recovery from their upcoming surgery. Adam and Ock, we love you.
